

UNIVERSITY of GEORGIA ATHLETIC ASSOCIATION

Dear Bulldog Supporter:

We want to take this opportunity to let you be one of the first to know about an exciting new development in Athens called *Bulldog Park*. *Bulldog Park* is a luxury RV park covering 18 acres on Hancock Industrial Way in Athens and is scheduled to open in June 2008. *Bulldog Park* is being developed by a private company in which former UGA standouts Kevin Butler, David Greene and David Pollack are involved. Their company is an official licensee of UGAA, but UGAA is not involved with the development or sale of units at Bulldog Park.

The developers of *Bulldog Park* believe that this development will provide a special opportunity for our supporters who are also RV owners. The plans for *Bulldog Park* provide for many amenities, including professional landscaping, full hook-ups, a party pavilion with restrooms and showers, and a playground.

Your purchase of an RV space at *Bulldog Park* will also help Bulldog Athletics. With each unit closed, a royalty will be paid to the University of Georgia Athletic Association to help support our student-athletes and programs. We would like to encourage you to review the enclosed information about *Bulldog Park* and hope that you will find this information to be of interest.

Kindest Regards,

Damon Evans
Athletic Director
University of Georgia Athletic Association
